The Honorable Paul S. Sarbanes  
 United States Senate  
 Washington, D.C. 20510

 DEPT. OF JUSTICE  
 FILE: 10-2

Dear Senator Sarbanes:

STAT This is in response to your letter of 10 April 1986  
 STAT enclosing correspondence from your constituent, [redacted]  
 STAT [redacted] expresses concern regarding physical  
 security protection for the Central Intelligence Agency (CIA).

STAT Please assure [redacted] that CIA is also very concerned  
 about the security protection of our personnel and  
 facilities. Because of this, security has been operating at  
 a heightened alert level and has taken additional action to  
 reinforce physical security at all of our facilities.

With regard to the Federal Protective Officers (FPOs)  
 having an opportunity to become Special Protective Officers  
 (SPOs), CIA and the General Services Administration (GSA) are  
 now completing the final phases of a three-year transition  
 which has allowed two of our buildings to be staffed with  
 SPOs. This has resulted in a significant improvement in  
 security. CIA has now decided to seek a further delegation  
 of protection slots from GSA for other CIA facilities in the  
 area. If this action succeeds, all FPOs who meet CIA staff  
 standards will be offered employment at CIA.

I hope this information is helpful to you.

Sincerely,

David D. Gries  
 Director of Congressional Affairs
